ABOUT ME

I am a passionate Graphic Designer with 1+ year of professional experience in designing creative and brand-focused visuals. I have a background in Web Design and UI/UX Design, but my core interest lies in Graphic Design. I am highly proficient in Adobe Photoshop and enjoy creating impactful designs that enhance brand identity, user engagement, and visual communication. I am always eager to learn new design trends and improve my creative skills.

WORK EXPERIENCE

Euron – Graphic Designer

DEC 2024–FEB 2025

At Euron, I worked as a Graphic Designer for 3 months, primarily handling social media design work. I created ad creatives for social media platforms, designed YouTube thumbnails, and developed web listing images. My role focused on creating engaging and visually strong designs to support digital marketing and online branding.

Priyatam Ayurveda – Graphic Designer

MARCH 2025–APRIL 2026

At Priyatam Ayurveda, I work as a Graphic Designer handling social media creatives and digital marketing designs. I design ad creatives, product posts, promotional banners, and web-related visuals including landing page images and listing images. My role focuses on maintaining brand consistency and creating visually appealing designs that support marketing and online presence.

GK Infra – Graphic Designer

March 2025–FREELANCE

At GK Infra, I handle both digital and offline graphic design requirements. I design social media advertisements, web banners, and landing page visuals. Additionally, I create brochures, flex banners, and other promotional materials for real estate projects. My work supports branding, marketing campaigns, and on-ground promotions.

Fine & Shine Cosmetics Pvt. Ltd. – Graphic Designer

MAY 2026 – PRESENT

At Fine & Shine Cosmetics Pvt. Ltd., I design high-converting social media creatives for Meta advertising campaigns and create visually engaging marketing assets for e-commerce platforms. My responsibilities include designing Amazon product listing images, A+ content, promotional banners, web banners, and digital marketing creatives. I collaborate with the marketing team to ensure brand consistency while creating performance-driven visuals that enhance customer engagement and online sales.
